Sponsorship Benefits

We invite you to join us in support of our Mercer Island schools!

Sponsoring the Spring for Schools virtual event is an investment in your community. The Mercer Island Schools Foundation offers several different levels of sponsorship recognition outlined below.

Your company will be featured in all event communications, including mail and email invitations being sent to over 5000 community members, and will receive direct exposure to over 600 attendees who will be viewing the virtual Showcase program and participating in the online auction.
